A dark blue diagonal gradient bar that starts from the bottom left corner and extends towards the top right corner, covering the lower half of the slide.

Need & Approach

Need

- Current website is hard to use
- Too much other data stored and displayed

Approach

- Design a web application with a simpler interface
- Allow for users to bookmark favorite transcripts
- Provide more information about each entry to allow for easier searches

Benefits/Cost

- Benefits
 - Cleaner Interface
 - More information for each entry
 - Support for librarians
 - Robust data handling
- Costs
 - New website
 - Requires hosting of database, server and application files
 - Requires more work to be done for production readiness (currently a MVP)
